WORK EXPERIENCE

Creative Director

Global Tech Network

May 2019 - July 2019

Successfully managed a small team of designers which focused on marketing and web development.

Planned company advertisements.

Monitored brand & email campaigns.

Shaped brand standards for the company itself and all the clients we worked with.

Front-End Web Developer/Lead Designer

Global Tech Network

May 2017 - May 2019

Created and maintained the front-end standards document and oversaw production of JavaScript, HTML, and CSS and PHP.

Tested front-end code in multiple browsers to ensure cross-browser compatibility.

Accessed data from MySQL databases and APIs to build dynamic search engines, account and admin dashboards.

Designed and developed custom HTML emails that are compatible with all the major email clients.

Managed company/client social media and email marketing campaigns with Hootsuite and Mailchimp.

Leveraged responsive web frameworks to consistently complete product deliverables ahead of schedule.

Created highly effective marketing campaigns, product presentations, and trade show materials.

WORK EXPERIENCE (cont.)

Food and Beverage Associate - Server
Wyndham Grand Orlando Resort Bonnet Creek
October 2011 - May 2017

Worked in the Main all day menu restaurant "Tesoro Cove" which took care, on average, of 250 guests daily.

Providing excellent wait service to ensure satisfaction.

Taking customer orders and delivering food and beverages.

Making menu recommendations and answering questions. In addition to sharing additional information with restaurant patrons
